

Point of Ayr Circular Walk, Flintshire

A family friendly walk with opportunities for some bird spotting – bring your binoculars!

“A family friendly walk that’s great for buggies and somewhere where the kids can explore and get close to nature.”

GRUFF OWEN, WALES COAST PATH OFFICER

Start and Finish:

Pay and display car park at the bottom of Station road, next to the Lighthouse Pub. The Point charges for parking within the pub. Further Pay & Display car parks at the end of Gamfa Wen road behind the Community centre.

Distance:

3 miles/4km.

Along the way...

At the end of Station Road go up onto the embankment. Take the path to the right which is clearly signed with orange way markers ‘Point of Ayr Circular’. The path is straight, wide with a gravel surface to start. There are information panels, picnic benches and sculptures on the path.

After 0.6 miles the gravel ends and tarmac path starts with bird spotting opportunities at the RSPB bird hide, estuary views and industrial landmarks.

Leave the colliery and go through the A frame barrier, following the orange way markers and turn right onto a grass track adjacent to the railway line until way markers are picked up at the road. Cross the roundabout and pass ‘Danger Point Centre’ where there are toilets and a café. The route back to the car park is along Station Road.

Need to know:

This is ideal for families and the first half of the walk would accommodate buggies and wheelchair users. Once the grass track is met an alternative is to turn back the way you came (it’s the prettiest route back).

Check the Travel Line Cymru website for bus timetables to and from Station Road in Talacre.

Download The North East Wales Digital Trail app for more information about the walk from their website: <https://www.northeastwales.wales/things-events-holidays-break-ideas-within-corner-north-wales/visit-north-east-wales/north-east-wales-digital-trails/>
